MEMORANDUM FOR: Director of Security

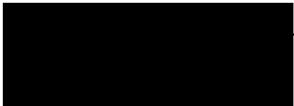

Howard:

This is an interim reply to your memorandum of 28 January 1965, subject: "Automobile Insurance Coverage." [REDACTED] of OGC on 17 February 1965 in an effort to accelerate the solution to the several questions raised in your memorandum. The questions you raised and others have general application to overseas areas as well and, therefore, any proposed solution must consider both foreign and domestic situations.

I talked with OGC again today and they hope to finish their study by 8 March. At that time, hopefully, we should know what must be done and will then work toward attaining a policy decision in an Agency Regulation or Notice, as appropriate.
